Do you want to be part of a school community on a journey from good to outstanding?

Do you want to make a difference to outcomes for all students?

We are looking to appoint a highly motivated and enthusiastic teacher of Music from September 2020.

This post is fixed term for one year.

If you have a passion for music education and want to work in an impressive Expressive Arts block, with students who behave well and want to learn, then this post will be for you. The newly appointed person will work with our Head of Department for music in extending further the already excellent provision.

Please state clearly if you have a second subject and what instruments you play and teach. A part time position will be considered for the right person.

We welcome applications from both NQTs and experienced teachers. We offer excellent NQT and CPD support and the person appointed will enjoy the wholehearted support of all the staff within the school.

All NQTs are assigned an induction mentor, who ensures that they are progressing in line with the teacher standards.

The successful candidate will:

- Be committed to comprehensive education
- Have students at the heart of what drives their decision making
